Child and Elder Care

Child Care

Hokie Wellness maintains an updated list of local child care centers for full-time and part-time care in:

- Blacksburg
- Christiansburg
- Giles County
- Pulaski, Dublin and Radford
- Roanoke County
- Floyd

on their Child Care Center website.

Hokie Wellness also compiles a list of students interested in providing part-time child care and other services that is made available upon request. More information can be found on Hokie Wellness's Student List website.

Virginia Tech has entered into an agreement with Rainbow Riders Childcare to assist Virginia Tech faculty, staff and students broader access to child care. More details on the Virginia-Tech Rainbow Riders Partnership can be found on the Hokie Wellness website.

Schools

Information about Services provided by area schools can be found on the school websites. Blacksburg, Virginia and the surrounding area are part of the Montgomery County Public Schools System.

Other area public schools, and information about provate and religiously-affiliated schools can be found under the "Schools" tab at the bottom of Human Resources' Moving & Relocating website

After School/Summer Programs

Information about after school programs varies by school, and can be found on each schools' website, accessible from the main Montgomery County Public Schools System website.

Some summer program information is provided through the schools and information can be found on their website. In addition, Blacksburg and Montgomery County offer a series of summer and school break recreational programs. More information can be found on their websites.

Virginia Tech also has a listserv for parents to crowdsource information about summer camps and other parenting questions. You can be added to the listserv by contacting Anna LoMascolo at Alomasco@vt.edu

Adult and Elder Care

Hokie Wellness provides information on local area care providers on their Adult and Elder Care website, in addition to running regular symposium on elder care that provide information and resources on some of the topics and issues that caregivers face and provide answers and solutions.

Virginia Tech's Department of Human Development and Family Science has an on-campus Adult Day Services facility, offering personal care, health monitoring, meals, therapeutic activities, dementia care, and recovery assistance during rehab for older adults as well as support, education, and respite for the caregiver.

The Lifelong Learning Institute at Virginia Tech is a member-driven, volunteer organization that draws on the wealth of academic and community resources in the New River Valley to provide intellectual, cultural, and social experiences for curious adults 50 and older.

Retirement communities near Virginia Tech include:

- Warm Hearth Village
- The Crossings at Blacksburg
