The Staff Senate met in 1810 Litton Reaves at noon on September 20, 2001. The meeting was called to order by president Jimmy Martin.

A motion was made and seconded to adopt the agenda.

Dr. V. J. Riley from EOAA Office gave an informative presentation. She has served as the interim director of EOAA until just recently when Mel Gillespie was appointed as director. She stated that the EOAA personnel would come to departments to do the sexual harassment or other training. Lisa Halleck does the sexual harassment training and Dr. Riley does the access for those with disabilities training.

*Communications Committee* – Met on September 19 and discussed the new display board, senate phone access and the new brochure.

The EOAA Committee met on September 19 and is trying to get established as a Commission. The representation will be changed and Staff Senate would not have a representative. We will keep check on this.

There were no reports from other Councils, Commissions and Committees of the University.

No old business was brought forward.

New Business

There was a discussion about parking and the BT route changes.

The meeting was adjourned.

Respectfully submitted,
